BOSTON, MASS. THE very important and extensive impr THE very important and extensive improvements which have recently been made in
his popular Hotel, the largest in New England,
enable the proprietors to offer to Tourists, Famlies and the Traveling Public, accommodations and conveniences superior to any other
Hotel in the city. During the past summer
additions have been made of numerous sattes
of spartments, with nathing-mons, waterclosets, etc., attached; one of Tota's magnificent passenger cievators, the best ever constructed, conveys guests to the upper story of
the house in one minute, the entries have
been newly and richty carpeted, and the enture house thoroughly repenished and refurnished, making it, in all its appointments,
cound to any ho elin the country.
